

Mouse Gene Manipulation Core – Re-Open SOP

We are resuming our Core Facility activities with following Guidelines in PHASE 1:

1) **Consultation** : We continue to provide usual consultation by appointment only, via phone or email or Zoom. In person consultation is no longer allowed until further notice.

2) **Sample pick up** : **CLS12124** is designated as sample pick up point, a specific date and time will be provided. We will communicate by email to confirm or cancel a scheduled pick up. Look for marked ice bucket outside of CLS12124. Call us - Phone # 617 919 2621.

3) **Sample drop off** : **CLS12122** is designated as drop off with specific date and time. We will communicate by email to confirm or cancel a scheduled pick up. Look for marked ice bucket outside of CLS12122. Call us - Phone # 617 919 2128.

4) **Physical distance** : We will maintain at least 6 feet distance and limit occupancy of one person/room

5) **No walk-in is allowed** : Please do not attempt to walk-in any of the mouse core labs CLS12122,12123 & 12124, our core staff is advised to follow this guideline

6) **Sanitization** : We will sanitize areas that are in constant physical contact – like door handle, ice bucket, bench top just before and after use.

7) **Hours of Operation** : 9AM – 5PM. We plan to have at least one lab member onsite at different location.

8) **Contact us** : Assistant Director – Mantu Bhaumik
email: Mantu.Bhaumik@childrens.harvard.edu, Phone : 617 919 2128
