HEALTH AND DEVELOPMENT HISTORY CHECKLIST OF PARENT OBSERVATIONS

Birth history

Which of the mother's pregnancies was this (1st, 2nd, 3rd) _____

Were there any miscarriages prior to this pregnancy? Y / N How many? _____

Were there therapeutic abortions prior to this pregnancy? Y / N How many? _____

Age of mother at delivery: _____

Age of father at delivery: _____

Circle Y (yes) or N (no) if the following occured. If Y (yes) please list or describe:

DURING PREGNANCY

Illness ..... Y / N Describe _____

Medication taken ..... Y / N Describe _____

Bleeding ..... Y / N Describe _____

Smoking ..... Y / N If YES, how much? _____

Alcohol intake ..... Y / N If YES, how much? _____

Weight gain in pounds: _____

Length of pregnancy in months: _____

LABOR

Induced ..... Y / N If YES, give reason _____

Lasted over 12 hours ...Y / N

DELIVERY

Cesarean Section ..... Y / N If YES, give reason _____

Anesthesia ..... Y / N If YES, what type: ❒Spinal ❒Epidural ❒General (asleep)

NEWBORN PERIOD

Cried right away ..... Y / N

Complications ..... Y / N If YES, please describe_____

Went home after _____ days in the hospital. Apgar score, if known _____

Weight at birth _____

INFANCY

Enjoyed cuddling ..... Y / N

Fussy, irritable ..... Y / N

More active than other babies ..... Y / N Other, please describe: _____

_____

HEALTH AND DEVELOPMENT HISTORY CHECKLIST OF PARENT OBSERVATIONS

Developmental History

If you can recall it, record the age at which your child reached the following developmental milestones. If you cannot recall the age, check an item at right.

		I cannot recall exactly, but to the best of my recollection it occurred:		
	Estimation	Early	At normal time	Late
MOTOR DEVELOPMENT				
Good head control				
Rolled over				
Sat up				
Crawled				
Stood without support				
Walked without assistance				
Walked well				
Run				
Showed hand preference				
Tied shoelaces				
Pedaled tricycle				
Rode bicycle w/o training wheels				
LANGUAGE DEVELOPMENT				
Babbled				
Pointed to request				
Said first words				
What was first word?				
VOCABULARY GROWTH				
# of words at 18 months?				
# of words at 2 years?				
# of words at 3 years?				
Said phrases				
Said sentences				
Named actions (verbs)				
Named colors				
Named coins				
SELF CARE				
Bowel trained				
Bladder trained day				
Bladder trained night
